DEXTER

DEMOCRAT - 68th ASSEMBLY DISTRICT

Hello Friends, Supporters, and Volunteers!

Dear Friends, Supporters, and Volunteers!

The last month of the campaign is upon us and I have a rigorous schedule ahead of me, including several forums that I hope you can attend. I am thrilled to finally have the opportunity to go toe-to-toe with Terry Moulton. However, as you know, Terry decided to open up his campaign mailings with lies about my stances. This actually has given me a little skip in my step because I know this is an indication that he is desperate, maybe even a bit panicky. I have worked tirelessly for the past year and a half to make sure that people in the 68th District will have better representation and I don't plan on slowing up now.

Please come to these forums ready to ask questions - or just be a friendly face in the audience! Moral support has helped me through these past months and I'm going to need all of you in the days ahead!

Gratefully,
Kristen
